HOBBIES AND INTERESTS

I am an avid reader who likes to read all sorts of books. I play guitar and have a certificate from Trinity School of Music, London. I have written for online blogs like **Youth ki Awaaz** and **The Logical Indian** and maintain my own blog which pertains to contemporary issues.

CAREER OBJECTIVE:

I am looking for a job which challenges my intellect, which helps me realize as well as fully utilize my potential. I am always open to learning. I have a keen interest in litigation so jobs which help me improving my research as well as drafting skills would help me tread further into the path I have set for my career.
