WORK EXPERIENCE

- Organization name: The Energy and Resources Institute (TERI)
- Designation: Intern
- Duration: June 2016 to July 2016
- Key responsibilities:
 - ✓ Completing 800 interviews for the project 'Estimation of Emissions Using Parking Lot Survey Approach' from June 2016 to July 2016.
 - ✓ During this project my task was not just to collect the data from people but also to compile and analyze the data.

- Organization name: DAV Public School
- Designation: Trainee Teacher
- Duration: August 2019 to December 2019
- Key responsibilities:
 - ✓ Teaching students in a fun and interactive way using innovative activities and creative teaching aids such as flannel, flip books, flash cards, charts and games.
 - ✓ Not just teaching, during my internship was involved in several extra-curricular activities that took place in school.
 - ✓ Assisted in organizing special assemblies in school, actively contributed towards the arrangements for the annual day, assisted teachers in helping students practice for various events and activities that took place in school.
 - ✓ Conducted a project in school which aimed at educating women about menstrual hygiene.
 - ✓ Conducted an essay writing competition in school for students to sensitize them about the current environment issues and problems, during this competition I also tried to enhance student's critical thinking abilities by asking them to think of innovative yet pocket friendly ways of solving various environment issues.

RESEARCH EXPERIENCE

Vermicomposting at home level

Study was carried out focusing on creating user-friendly vermicomposting bins, educating people about waste management and encouraging them to practice vermicomposting in their households. Five working units were made and placed at different locations and the composting efficiency of worms was tracked. The composting efficiency of the worms was tracked by comparing the amount of compost that the worms were able to make in each unit.

CO-CURRICULAR ACTIVITIES

- Participated in 'Code for Clean Air' Hackathon organized by Clean Air Asia, 2016
- Participated in campus impact challenge an initiative by TERI with an objective to make Delhi campuses more sustainable by inviting innovative suggestions from youth.
- Participated in Annual Symposium organized by RMDA Department on "Energy Efficiency for a Sustainable future", 2017
- Participated in organizing Diwali Mela an initiative by Lady Irwin college department of education, 2018

- Completed a Self Defense Training course for safety of women and children conducted by Delhi Police, 2019

COMMUNITY WORK

Taught students in NGO 'Dhuri Hoon Main' from 7th June 2018 to 15th July 2018 and received a certificate of the same.
